

**Proposal to change the category of Congleton High School from
'Community' to 'Foundation'**

Notice is given in accordance with section 19(3) of the Education and Inspections Act 2006 that The Governing Body of Congleton High School intends to make a prescribed alteration to Congleton High School Box Lane Congleton CW12 4NS. The proposed alteration is to Change School Category from Community to Foundation from 01 September 2009.

The governors propose to improve standards of attainment by becoming a Foundation School. The government is keen to encourage successful schools to apply for Foundation Status since it provides increased autonomy to local stakeholders. This will enable the school to better fulfil its motto "Achieving Success Together" and the existing mission Statement. The Governing Body is committed to working with a wide variety of partners to fulfill its mission including the new Cheshire East local authority.
